### 3. Founding Member Commitment

Founding Members are instrumental in launching and sustaining the ISAA's mission. By becoming a Founding Member, you are directly contributing to the creation of the world's first dedicated sidereal astrology association—helping to fund research, develop high-quality educational programs, and ensure that future generations of astrologers have access to credible, tradition-based resources. Founding Members may be invited to shape the organization's evolution through leadership roles, governance opportunities, and committee service. They are also encouraged to support the broader community by offering mentorship, discounts, or resources to fellow members at their discretion.

### 4. Acknowledgement & Agreement

By signing up as a Professional Member, I agree to uphold the [ISAA Member Code of Ethics](#), acknowledge that my membership, as well as the accompanying benefits and discounts are locked in for life, and I understand that ISAA reserves the right to revoke membership if ethical violations occur.
