

ISAA Student Membership Agreement

Welcome to the International Sidereal Astrology Association (ISAA). By enrolling as a Student Member, you agree to the following membership terms, benefits, and conditions.

1. Membership Terms

The following terms outline the duration and renewal conditions of your Student Membership:

- 1) Membership Duration: One Year
- 2) Membership Dues: \$39/year
- 3) Renewal: Membership must be renewed annually. Prices and benefits are subject to change.

2. Benefits & Discounts

Student Members enjoy exclusive access to resources and savings designed to support your learning and exploration of sidereal astrology.

A. Student Member Benefits

Guaranteed benefits during active membership:

- 1) Access to the ISAA Online Library & Archive
- 2) Eligibility for Research Grants & Scholarships
- 3) Exclusive Member-Only Newsletter

B. Student Member Discounts

- 1) 50% off Online Event Registration, Electronic Books, Journals, and Publications
- 2) 25% off Live Event Registration, Certification and Exam Fees, Live & Pre-Recorded Courses, Classes, and Workshops
- 3) 10% off Print Books, Journals, and publications, and ISAA Merchandise.
- 4) Discounts on Astrology Readings & Services (*subject to individual ISAA members' discretion*)
- 5) Personalized Research Assistance (*subject to availability and discretion of individual ISAA scholars*)

3. Code of Conduct

Student members are not required to adhere to the [ISAA Member Code of Ethics](#) but are encouraged to uphold academic integrity and respectful engagement within the ISAA community.

Members agree to follow ISAA guidelines regarding respectful discussion and participation in forums, events, and research collaborations.

Membership may be revoked if a student is found guilty of cheating, falsifying answers, or engaging in academic dishonesty in ISAA programs, exams, or research. No refunds will be given if membership is revoked.

4. Acknowledgement & Agreement

By signing up as a Student Member, I acknowledge that all benefits and discounts are subject to change upon renewal and that I am joining ISAA to further my education in sidereal astrology.
